WHY Jewish Scandinavia

Choosing a Jewish Scandinavia Journey through Copenhagen, Oslo, and Stockholm offers a rare opportunity to explore the region's Jewish past and present while experiencing three of Northern Europe's most beautiful capitals.

In Copenhagen, discover more than 400 years of Jewish history, from the royal invitation in 1622 and the dramatic rescue of Danish Jews during World War II to the vibrant community of today.

In Oslo, connect with the story of Norway's small but resilient Jewish community, which endured wartime tragedy and rebuilt a dynamic presence in the heart of the city.

In Stockholm, explore Sweden's Jewish heritage, from historic synagogues to the country's crucial role in sheltering Danish Jews during the Holocaust.

Throughout the journey, local Jewish experts bring these stories to life through personal insight and cultural context. The trip combines stories of resilience, survival, and continuity with Scandinavian art, architecture, and natural beauty.

More than a tour of three capitals, this is a meaningful journey connecting Jewish history, memory, and identity across Scandinavia.
This journey is led exclusively by expert local Jewish guides!

We begin our tour with a visit inside the Great Synagogue of Copenhagen, the spiritual heart of the community. Next we continue to the Danish Jewish Museum, designed by Daniel Libeskind, where centuries of Jewish life in Denmark are brought to light.
